

FERNANDA ORDAYA

COMMUNICATION AND MARKETING

+51 902 722 925 || Lima, Peru || fernandaordayaob@gmail.com

PROFILE

Communication and Marketing student with experience in brand management, digital content, creative design, and visual production for social media, campaigns, and email marketing. I currently work at a marketing agency, creating graphic assets, content calendars, newsletters, and visual proposals supported by artificial intelligence tools. I stand out for my ability to turn commercial ideas into attractive, strategic content aligned with brand objectives, combining visual judgment, organization, creativity, and quick adaptation to different industries.

WORK EXPERIENCE

Yetitech || Creative Designer & Content Assistant

Dec 2025 - Present

Responsible for creating visual assets and digital content for brands across different sectors, with a focus on social media, email marketing and creative campaigns.

Creative design and visual production:

- * Development of graphic assets for Instagram, Facebook, LinkedIn, newsletters and digital campaigns.
- * Creation of visual concepts aligned with each brand identity and communication objective.
- * Use of AI tools to generate images, improve visual proposals and optimize creative processes.

AI applied to marketing and content:

- * Creation and optimization of advanced prompts to generate images with AI tools such as Flow.
- * Visual direction of assets, ensuring composition, aesthetics, realism, product accuracy, lighting and brand consistency.
- * Use of animation and AI platforms to transform static images into dynamic content.

Content marketing and social media:

- * Development of content calendars for brands, considering objectives, pillars, formats, captions and CTAs.
- * Scheduling and organization of posts through Meta platforms.
- * Support in content planning according to key dates, seasons, promotions and audience behavior.

Email marketing and campaigns:

- * Visual creation and structuring of newsletters on platforms such as Klaviyo and Mailchimp.
- * Adaptation of messages, images and CTAs to improve attention, clarity and the appeal of each campaign.

Ponte Bonita By APGL || Brand Manager

January 2024 - May 2025

Women's fashion brand focused on bold, trend-driven and limited-edition pieces.

Brand Management and Customer Experience:

- * Personalized customer service and management of critical incidents to protect the public image of the brand.
- * Coordination of deliveries and satisfactory post-sale follow-up.
- * Full supervision of the digital purchase funnel.

Influencer Marketing and Strategic Partnerships:

- * Management and evaluation of influencer collaborations, focusing on reach, affinity and conversion.
- * Negotiation of product exchanges, activations and brand positioning.

Commercial Analysis and Segmentation:

- * Monitoring and analysis of sales to optimize product and communication strategies.
- * Target audience segmentation with a performance-oriented approach.
- * Data-driven decision-making for launches and promotions.

Operations Management:

- * Issuing electronic receipts and invoices through SUNAT.
- * Coordination between customer service, logistics and billing.
